## Health & Safety in Australia

Please be aware that we are concerned about your safety while you are studying here. You must never receive lifts from strangers or walk around alone at night. If you have to catch trains or buses at night, it is good to walk to the station with someone else, in well-lit areas as much as possible. If you feel threatened in any way, by anyone, please tell someone such as your teacher or a member of staff.

### Think Before

The following website shows you a short YouTube video of some of the dangers of being an international student. Please take the time to watch it. It is fun and informative.

[www.thinkbefore.com](http://www.thinkbefore.com)

### Culture Shock

It is usual for students to feel isolated and lonely at times after coming to Australia, especially on arrival and around times that are celebrations in your home country. Besides, you may be concerned about family members or friends and in English, we call this culture shock. If you are feeling sad or alone, you can talk to your teacher or a staff member, remember we are here to help.

### Alcohol

In Australia, alcoholic drinks are sold in licensed liquor shops, restaurants and bars.

No drinking in public places. You can't drink alcohol in a public place in Queensland, unless the area is a licensed premises or is declared as a 'wet area'. You can be issued with an on the spot fine of \$126.15 for drinking alcohol in a public place. Public places includes beaches, parks and the streets.

### Queensland Tobacco Laws

Since 1 January 2005, it is illegal to smoke anywhere within 4 meters of a non-residential building entrance, anywhere inside pubs, clubs, restaurants and workplaces, in commercial outdoor eating or drinking areas, in outdoor public places such as patrolled beaches, near children's playground equipment and in major sport stadiums.

\$200 on-the-spot fine may be issued to anyone found smoking in the new no-smoking zones. Therefore, if you would like to smoke during your break times, make sure you are 4 meters away from any entrance and not blocking the footpath.

### Beach Safety

- Always swim or surf at the beach patrolled by lifesavers. Swim between the red and yellow flags marked on the beach.
- Always swim under supervision or with a friend.
- Read and obey the signs.
- If you are unsure of the conditions, ask a lifesaver.
- Don't swim directly after a meal.
- Don't swim under the influence of alcohol or drugs.
- Don't run and dive in the water.
- Conditions change regularly, so check before you enter the water.
- Stick your hand up for help - if you get in trouble in the water, stay calm, and raise your arm to signal for help.
- If you get into trouble, float with a rip current or undertow. Do not swim against it.

## Sun Safety

Australia has the highest rate of skin cancer in the world.

You can reduce your risk of skin cancer and protect your skin by following six simple steps:

1. Minimise your time in the sun between 10am and 3pm.
2. Seek shade.
3. Wear suitable clothing that provides good sun protection.
4. Choose a broad, brim hat that will protect your face, neck and ears.
5. Wear UV protection sunglasses.
6. Apply 30+ broad spectrum, water-resistant sunscreen 20 minutes before you go out under the sun.

### Agent Support

## Wi-fi

You will be given a Wi-Fi password on your orientation/ arrival day. Please use the internet respectfully.

## Activity Calendar

SPC provides regular extra activities both social and academic. Check the calendar at the Reception and on Facebook and sign up. This is a great way to get to know the area, new people, practice your English and stay healthy and stress-free.

## Expectations

At SPC we expect all students to follow the rules and treat each other with respect. As a result, we are confident that your English will improve.

# Teaching & Learning in Australia

Teaching techniques at SPC may be very different from the way you were taught in other countries and this often comes as a surprise to some students. When learning a language, it is important to make mistakes. We learn by making mistakes, so don't be afraid to try.

## Keys to Academic Success

**SPC's homework policy** helps you to achieve maximum progress in the short time you are here. Successful completion of nightly homework allows us to monitor not only your English progress but also your level of effort. **-English ONLY** is a requirement of the college. It is implemented to allow you to have a full immersion English experience. You may find it difficult in the first few days but keep an open mind and you will learn to love it. Speaking your mother language is **ONLY** permitted in the Tree House, behind the basketball court and **ONLY** when you are alone speaking to family back home on your phone.

# International Student Code of conduct

Under the National Code 2018, SPC's obligation to ensure the safety and well-being of an international student enrolled in an SPC program is important. SPC has a commitment to procedural fairness regarding a person's rights, interests or legitimate expectations unless there are exceptional circumstances.

The following is a summary of the key responsibilities for students.

## Academic Performance

- Students will maintain satisfactory results in all classes in order to continue in the program.
- Students will abide by the College Rules of Behaviour and the school policy on information technology and Internet use.
- SPC will monitor the student's performance, and inform the Department of Immigration and Border Protection (DIBP) if the student's results are not satisfactory.

At SPC we believe it is important for staff and students to be respectful and courteous with each other. We do not accept bad behaviour, verbal or physical abuse or sexual or racial harassment. Students with unacceptable conduct may be excluded from attending class.

1. English only at SPC
2. Minimum 80% attendance

## Assessment

Weekly assessment occurs on Friday.

Mid-course and end-of-course assessments occur on the Mondays of weeks 1 and 7. You will be tested on the past 6 weeks' vocabulary and grammar. In addition, your speaking and listening ability will be assessed.

Movement to a higher level class will depend on your test scores, attendance, attitude, homework quality, and individual circumstances.

Your movement to a higher level class will be decided by the Academic Manager. If you are not satisfied with the outcome of your assessment, follow the Complaint Procedure in this handbook.

## Homework

Homework at SPC is compulsory. You will complete an average of 2 hours of homework every day, including:

### Writing in your SPC Notebook

You have to write 1 full page - ALL parts of the page must be completed.

Student visas in Australia require that you meet the following condition:

- 8208 Meet Course Requirements: Must maintain satisfactory attendance

As a registered student at SPC you must maintain a minimum attendance of 80%

- If your attendance continues to be under 80%, SPC will report you to the Department of Immigration and Border Protection (DIBP). You have 20 working days to appeal our decision by attending all of your classes.

- The only exception to reporting your attendance to DIBP is if you have documentary evidence to show SPC that you have compassionate or compelling circumstances for your absence AND your attendance is at least 70%,

- If you are absent because of illness for 3 or more days, you must give us a doctor's certificate.

If you are more than 5 minutes late for class without good reason, you will be marked absent and you will not be allowed to join the class until after the next class break.

If you wish to make an external appeal or complaint, you can contact the Commonwealth Ombudsman online <https://www.ombudsman.gov.au/How-we-can-help/overseas-students> or you may approach the State Authority for CRICOS Registration. In Queensland this is the Department of Education. Fare: approximately \$2.70 to Smithfield and \$4.50 to the city.

Please refer to Translink website for the complete timetable and updated information.

## Money Matters

### ATMs

Most banks have machines (ATMs) that will accept major credit cards from overseas. You can immediately withdraw cash from your overseas bank account at ATMs displaying the Cirrus logo (if your ATM card has international access).

### Bank accounts

To open a bank account, you will need your passport, visa, student ID and money to deposit into the account (this can be as little as \$10).

If you need assistance with banking or help with opening a new account in Australia, please talk to student service or join the bank account opening section after regular orientation.

## Working in Australia

Depending on the visa you are under, you are allowed to work in Australia, however before engaging in any job, make sure you understand the conditions applied to your visa.

### Tax File Number (TFN)

You must obtain a Tax File Number to be able to work in Australia. A TFN is your unique reference number to our tax system. When you start work, your employer will ask you to complete a tax file number declaration form. If you do not provide a TFN, your employment will be taxed at the highest personal income tax rate, which will mean less money in your pay each week.

You can apply for your TFN online at [www.ato.gov.au](http://www.ato.gov.au) and if you need assistance, join the SPC Job Workshop activity.

### Taxation Returns

Taxation returns are lodged at the end of the Australian tax year which is from 01 July to 30 June. You can lodge your tax returns online using e-tax (free service), by mailing a paper tax return or by paying a registered tax agent to complete and lodge the application for you.

### Superannuation

If your monthly wage is more than \$450, your employer must contribute an additional sum equal to 9% of your wage into a superannuation (pension) account for you. In most cases, you can access your contributions when you leave Australian permanently, although the contributions will be taxed.

To check your eligibility to claim your superannuation and to apply for your payment, visit [www.ato.gov.au/departaustralia](http://www.ato.gov.au/departaustralia). You will need to provide details of your superannuation fund.
